Absolutely Pure.

This powder never varies. A marvel of purity, strength and wholesomeness. More economical than the ordinary kind, and cannot be sold in competition with the multitude of low cost, short-weight, adulterated or inferior powders. Sold only in cans. ROYAL BAKING POWDER CO., 106 Wall Street New York.

Mat. McCabe, of New Brunswick, Ill., offers to pay five dollars to any person troubled with bloody flux, who will take Chamberlain's Colic, Cholera and Diarrhoea Remedy according to directions and does not get well in the shortest possible time. One half of a 25 cent bottle of this remedy cured him of bloody flux, after he tried other medicines and the prescriptions of physicians without benefit. Mr. McCabe is perfectly safe in making this offer, as more than a thousand bottles of this remedy are sold each day and it has never been known to fail in any case of colic, cholera morbus, dysentery, diarrhoea or bloody flux, when the plain printed directions were followed. For sale by G. C. Thaxter.

FOR SALE: Eight head of cows and heifers of fine breed, also one Jersey cow with calf. Apply at this office or to J. T. Savage, V. & T. R. R. j 22 1w

It has no superior and few equals. W. H. Chedie, Druggist.

What on Earth

Is the reason people will not, cannot, or do not see any difference in cheap nos trumps put up by Cheap John houses or irresponsible parties at enormous profits, rather than take a medicine of world wide reputation and one that is giving universal satisfaction at equal price? No medicine in the world is giving such unparalleled satisfaction for purifying the blood as BEGG'S BLOOD PURIFIER & BLOOD MAKER, and every bottle that does not do its work, will cost you nothing. W. Hence the mandamus suit of Lyon county to compel the Controller to pay the whole amount. The opinion was written by Judge Belknap and concurred in by Judges Hawley and Murphy.
